Due to the fact that all fuel related parts and components directly affect the emissions output of the Ice Resurfacer, it is the purchaser's responsibility to assure that only a qualified technician perform any repairs or replacement of fuel system related parts. The qualified technician should be required by the purchaser to perform an emission test at the completion of the work and provide proper documentation for the purchaser's records.

*All invoices due upon receipt unless otherwise noted. Charge invoices are due as per the NET TERMS requirements of this invoice. Invoices that are late are subject to a finance charge of 2% per month (24%) per annual. Unpaid invoices are subject to all collections and attorneys fees. All TAXES are the responsibility of the end user.*
